Nathan prides himself on being a reliable and trusted resource to the owners and key executives of closely held business and sports organizations. He strives to add value to his clients' businesses on a variety of transactional and employment related issues. He believes that building relationships with his clients is essential to better understanding them and being able to provide quality legal and business advice. Nathan enjoys golfing, running, playing basketball, coaching soccer and spending time with his wife and two daughters, which is usually at a hockey rink.

Nathan practices primarily in Corporate Organizations, Corporate Transactions, Commercial Leasing, Employment, Mergers and Acquisitions, and Sports.
